Certificate II

01

Certificate I

THE GRADUATE DIPLOMA IN MANAGEMENT (LEARNING)

is specifically designed for people who are responsible for the progression of employees through further education and training. Arm yourself with the necessary skills and knowledge with this Graduate Diploma; the peak qualification for those in charge of the learning needs of organisations or educational institutes. This qualification is best suited to those working in the management team of an organisation or wishing to take the next step in their career and push forward for a promotion.

This program has been designed for participants with senior management experience within a learning and development environment, who want to formalise this experience and/or extend their skills and knowledge in the management of learning. As a post-graduate qualification, it also provides a pathway towards a Masters-level program at a University.

CAREER OPPORTUNITIES:

Managers within a Registered Training Organisation
Learning and Development Managers
Learning and Development Consultants

RPL

Sometimes it can be difficult to find the time and effort to fit an entire course into our lives, especially for those already working and juggling other commitments. Work experience or formal qualifications you have may count towards your course.

This is where **Recognition of Prior Learning** (RPL) comes into play, where your previous skills, experience or qualifications can shorten the time it takes to undergo a course and allow you to become eligible for qualifications you may not otherwise be able to do.

STUDY MODE:

As the course is either through RPL, online or via blended delivery, students will require access to a computer, and the internet, and have basic computing skills

PREFERRED PATHWAYS FOR CANDIDATES CONSIDERING THIS QUALIFICATION INCLUDE:

Completion of a Diploma or **Advanced Diploma** qualification in a related field of study

+

2 years equivalent fulltime relevant experience at a significant level of leadership and management responsibility

Completion of a **Bachelor Degree** in a related field of study

Have **3 years** equivalent full-time relevant workplace experience at a significant level of leadership and management responsibility and/or complexity in an enterprise

Language Literacy and Numeracy skills assessment may be required before enrolment can be confirmed.
